BENEFITS AND COVERAGES

IMPORTANT: The benefits described below are typical services and materials available under most VSP plans. However, the actual Plan Benefits provided to you by your Group may be different. Refer to the attached Schedule of Benefits and/or Disclosure to determine your specific Plan Benefits.

1. Eye Examination: A complete initial vision analysis which includes an appropriate examination of visual functions, including the prescription of corrective eyewear where indicated.
2. Lenses: The Member Doctor will order the proper lenses necessary for your visual welfare. The doctor shall verify the accuracy of the finished lenses.
3. Frames: The Member Doctor will assist in the selection of frames, properly fit and adjust the frames, and provide subsequent adjustments to frames to maintain comfort and efficiency.
4. Contact lenses: Necessary Contact Lenses are a Plan Benefit when specific benefit criteria are satisfied and when prescribed by Covered Person's Member Doctor or Non-Member Provider. Prior review and approval by VSP are not required for Covered Person to be eligible for Necessary Contact Lenses..

Elective or Necessary contact lenses are available in lieu of spectacle lenses and frames for the current eligibility as indicated on the enclosed insert.

EXCLUSIONS AND LIMITATIONS OF BENEFITS

Some brands of spectacle frames may be unavailable for purchase as Plan Benefits, or may be subject to additional limitations. Covered Persons may obtain details regarding frame brand availability from their VSP Member Doctor or by calling VSP's Customer Care Division at (800) 877-7195.

This vision service plan is designed to cover visual needs rather than cosmetic materials. If you select any of the following extras, the Plan will pay the basic cost of the allowed lenses or frames, and you will be responsible for the additional cost for the options, unless the extra is defined in the Schedule of Benefits attached as Exhibit A to the Group Plan document maintained by your Group Administrator.

- Optional cosmetic processes.
- Anti-reflective coating.
- Color coating.
- Mirror coating.
- Scratch coating.
- Blended lenses.
- Cosmetic lenses.
- Laminated lenses.
- Oversize lenses.
- Photochromic lenses, tinted lenses except Pink #1 and Pink #2.
- Progressive multifocal lenses.
- UV (ultraviolet) protected lenses.
- Certain limitations on low vision care.

Although a low vision benefit is available to Insureds diagnosed as having severe visual problems (i.e., partial sight), it is subject to limitations. Consult your Member Doctor or Benefits Representative for details. **There is no benefit for professional services or materials connected with:**

1. Orthoptics or vision training and any associated supplemental testing; plano lenses (less than ± 5.0 diopter power); or two pair of glasses in lieu of bifocals.
2. Replacement of lenses and frames furnished under this Plan which are lost or broken except at the normal intervals when services are otherwise available.
3. Medical or surgical treatment of the eyes.
4. Any eye examination, or any corrective eye wear, required by an employer as a condition of employment.
5. Corrective vision treatment of an experimental nature such as, but not limited to, RK and PRK Surgery.

ELIGIBILITY FOR COVERAGE

Enrollees: To be eligible for coverage, a person must currently be an employee or member of the Group, and meet the criteria established in the coverage criteria mutually agreed upon by Group and VSP.

Eligible Dependents: If dependent coverage is provided, the persons eligible for coverage as dependents shall include the legal spouse of any Enrollee, and any child of an Enrollee, including any natural child from the moment of birth, legally adopted child from the moment of placement in the residence of the Enrollee, or other child for whom a court or administrative agency holds the Enrollee responsible from the moment of birth who has not obtained the limiting age as shown on the enclosed insert page.

A dependent, unmarried child over the limiting age may continue to be eligible as a dependent if the child is incapable of self-sustaining employment because of mental or physical disability, and chiefly dependent upon the enrollee for support and maintenance.

PREMIUMS

The Group is responsible for payments to VSP of the periodic charges for your coverage. You will be notified of your share of the charges, if any, by your Group. The entire cost of the program is paid to VSP by the Group.

COPAYMENT

The benefits described herein are available to you from any participating Member Doctor, provided you follow the proper procedures by obtaining Benefit Authorization. THERE MAY BE A COPAYMENT AMOUNT PAYABLE BY YOU TO THE MEMBER DOCTOR AT THE TIME OF THE EXAMINATION. ANY ADDITIONAL CARE, SERVICE AND/OR MATERIALS NOT COVERED BY THIS PLAN MAY BE ARRANGED BETWEEN YOU AND THE DOCTOR.

CHOICE OF PROVIDERS

Vision care services and vision care materials may be received from any licensed optometrist, ophthalmologist, or dispensing optician, whether Member Doctors or Non-Member Providers. If you elect to receive vision care services from one of the Member Doctors, covered services are provided at no out-of-pocket cost (unless the plan contains a Copayment).

When vision care services are received from a Non-Member Provider, you will be reimbursed for such benefits according to the schedule shown on the enclosed insert, less any applicable Copayment.

PROCEDURE FOR USING THE PLAN

1. When you desire to receive Plan Benefits from a Member Doctor, contact VSP or the Member Doctor. If you are eligible, VSP will provide Benefit Authorization to you or the Member Doctor.
2. When such authorization is received and services are performed prior to the expiration date of the authorization, this will constitute a claim against the Plan in spite of your termination of coverage or the termination of the Plan. Should you receive services from a Member Doctor without such authorization or obtain services from a provider who is not a Member Doctor, you are responsible for payment in full to the provider.
3. A list of Member Doctors in your geographic location can be obtained from your Group or Plan Administrator. This list contains the names, addresses, and telephone numbers of the Member Doctors. If this list does not cover the geographic area in which you desire to seek services, you may call or write VSP office nearest you to obtain one that does.
4. You pay only the Copayment (if any) to the doctor for the services covered by the Plan. VSP will pay the Member Doctor directly according to its agreement with the doctor.
5. In emergency conditions, when immediate vision care of a medical nature, such as for bodily trauma or disease is necessary, Covered Person can obtain covered services by contacting a Member Doctor (or Out-of-Network Provider - if the attached Schedule of Benefits indicates that Covered Person's Plan includes such coverage). No prior approval from VSP is required for Covered Person to obtain vision care for Emergency Conditions of a medical nature. However, services for medical conditions, including emergencies, are covered by VSP only under the Acute EyeCare and Primary EyeCare Plans. If coverage for one of these plans is not indicated on the attached Schedule of Benefits or Addendum, Covered Person is not covered by VSP for medical services and should contact a physician under Covered Person's medical insurance plan for care. For emergency conditions of a non-medical nature, such as lost, broken or stolen glasses, the Covered Person should contact VSP's Customer Service Department for assistance. Emergency vision care is subject to the same benefit frequencies, plan allowances, Copayments and exclusions stated herein. Reimbursement to Member Doctors will be made in accordance with their agreement with VSP.

LIABILITY IN EVENT OF NON-PAYMENT

IN THE EVENT COMPANY FAILS TO PAY THE PROVIDER, YOU SHALL NOT BE LIABLE TO THE PROVIDER FOR ANY SUMS OWED BY THE VISION PLAN OTHER THAN THOSE NOT COVERED BY THE PLAN.

INDIVIDUAL CONTINUATION OF BENEFITS

This program is available to groups of a minimum of ten (10) employees and is, therefore, not available on an individual basis. When a Group terminates its coverage, individual coverage is not available for Enrollees who may desire to retain same.

TERMINATION OF BENEFITS

Terms and cancellation conditions of your vision care plan are shown on the enclosed insert. If service is being rendered to you as of the termination date of the Plan, such service shall be continued to completion, but in no event beyond six (6) months after the termination date of the Plan.

COMPLAINTS AND GRIEVANCES

If Covered Person ever has a question or problem, Covered Person's first step is to call VSP's Customer Service Department. The Customer Service Department will make every effort to answer Covered Person's question and/or resolve the matter informally. If a matter is not initially resolved to the satisfaction of Covered Person, the Covered Person may communicate a complaint or grievance to VSP, orally or in writing, by using the complaint form that may be obtained upon request from the Customer Service Department. Complaints and grievances include disagreements regarding access to care, or the quality of care, treatment or service. Covered Persons also have the right to submit written comments or supporting documentation concerning a complaint or grievance to assist in VSP's review. VSP will resolve the complaint or grievance within thirty (30) days after receipt, unless special circumstances require an extension of time. In that case, resolution shall be achieved as soon as possible, but no later than one hundred twenty (120) days after VSP's receipt of the complaint or grievance. If VSP determines that resolution cannot be achieved within thirty (30) days, a letter will be sent to the Insured to indicate VSP's expected resolution date. Upon final resolution, the Covered Person will be notified of the outcome in writing.

Claim Payments and Denials

A. Initial Determination: VSP will pay or deny claims within thirty (30) calendar days of the receipt of the claim from the Covered Person or Covered Person's authorized representative. In the event that a claim cannot be resolved within the time indicated, VSP may, if necessary, extend the time for decision by no more than fifteen (15) calendar days.

B. Request for Appeals: If the Covered Person's claim for benefits is denied by VSP in whole or in part, VSP will notify the Covered Person in writing of the reason or reasons for the denial. Within one hundred eighty (180) days after receipt of such notice of denial of a claim, Covered Person may make a verbal or written request to VSP for a full review of such denial. The request should contain sufficient information to identify the Covered Person for whom a claim for benefits was denied, including the name of the Enrollee, Member Identification Number of the Enrollee, the Covered Person's name and date of birth, the name of the provider of services and the claim number. The Covered Person may state the reasons the Insured believes that the claim denial was in error. The Covered Person may also provide any pertinent documents to be reviewed. VSP will review the claim and give Covered Person the opportunity to review pertinent documents, submit any statements, documents, or written arguments in support of the claim, and appear personally to present materials or arguments. Covered Person or Covered Person's authorized representative should submit all requests for appeals to:

**VSP
Member Appeals
3333 Quality Drive
Rancho Cordova, CA 95670
(800) 877-7195**

VSP's determination, including specific reasons for the decision, shall be provided and communicated to the Covered Person within thirty (30) calendar days after receipt of a request for appeal from the Covered Person or Covered Person's authorized representative.

If Covered Person disagrees with VSP's determination, he/she may request a second level appeal within sixty (60) calendar days from the date of the determination. VSP shall resolve any second level appeal within thirty (30) calendar days.

When Covered Person has completed all appeals mandated by the Employee Retirement Income Security Act of 1974 ("ERISA"), additional voluntary alternative dispute resolution options may be available, including mediation and arbitration. Covered Person should contact the U. S. Department of Labor or the State insurance regulatory agency for details. Additionally, under ERISA (Section 502(a)(1)(B)) [29 U.S.C. 1132(a)(1)(B)], Covered Person has the right to bring a civil (court) action when all available levels of reviews of denied claims, including the appeal process, have been completed, the claims were not approved in whole or in part, and Covered Person disagrees with the outcome.

OTHER FACTS YOU SHOULD KNOW ABOUT THE PLAN

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

- Examine, without charge, at the Plan Administrator's office, all Plan documents such as detailed annual reports and Plan descriptions, including insurance contracts, and copies of all documents filed by the Plan with the U.S. Department of Labor or the Internal Revenue Service.
- Obtain copies of all Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.
- Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA. If your claim for a benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to have the Plan reviewed and your claim reconsidered. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent to you because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and fees. If you lose, the court may order you to pay these costs and fees if, for example, it finds your claim frivolous. If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or your rights under ERISA, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue NW, Washington, DC 20210.

The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) requires that, under certain circumstances, health plan benefits available to an eligible Enrollee and his or her Eligible Dependents be made available for purchase by said persons upon the occurrence of a COBRA-qualifying event. If, and only to the extent COBRA applies, VSP shall make the statutorily-required continuation coverage available for purchase in accordance with COBRA.

The Plan Administrator and the employer are subject to numerous obligations in connection with continuation coverage, including an obligation to notify eligible participants and their dependents of the existence of said continuation coverage. In this regard, the U.S. Department of Labor has issued ERISA Technical Release No. 86-2 dated June 26, 1986, setting forth a Model Statement of the required notice. Providing said notice by first class mail to each covered employee and his or her spouse, if any, at their last known address will constitute a good faith effort at compliance of the notice requirement in the absence of promulgated COBRA regulations.

The provider should first submit a claim to Covered Person's group medical insurance plan. Any amounts not paid by the medical plan may then be considered for payment by VSP. (This is referred to as "Coordination of Benefits" or "COB." Please refer to the Coordination of Benefits section of Covered Person's Evidence of Coverage for additional information regarding COB.)

COVERED PERSON DOES NOT HAVE A GROUP MEDICAL PLAN

When Covered Person does not have a group medical plan, the Supplemental Primary EyeCare Plan provides Plan Benefits as follows:

1. Covered Person contacts Member Doctor and makes an appointment.
2. Covered Person pays the applicable Copayment at the time of each Supplemental Primary EyeCare visit and amounts for any additional services not covered by the Plan.

REFERRALS
